PERIOD ENDING 14 NOVEMBER 1983

I. Progress Report on Tasks Assigned by the DCI/DDCI:

None.

II. Items or Events of Major Interest that have Occurred During the Preceding Week:

c. Exchange Program: In our continuing efforts to broaden the background of our OL careerists within Supply Management Branch,

[redacted] spent a day with OSO Logs at [redacted]  
[redacted] was subjected to the daily logistics environment encountered in an area division atmosphere such as off loading a depot delivery vehicle, reading cable traffic, preparing requisitions for submission to OL, answering queries by the tenants of the building, and many other facets of logistics not encountered in SMB. All in all, Linda felt the trip was very beneficial to her, and it gave her a much better view of how business is conducted in one of our outlying Log offices. [redacted]

III. Significant Events Anticipated During the Coming Week:
